

Campanelle 54 Bed & Residence is situated in a strategic position of the city, only five minutes walking distance from the centre: nearby is the Trieste Trade Fair and Hippodrome (3 minutes by car) and the Burlo Garofalo Childrens Hospital (350 metres). Road connections make it easy to reach Cattinara Hospital (8 minutes by car), Maggiore Hospital, Padriciano Research Area, Sincrotrone, Trieste Industrial Zone (10 minutes by car), the Rosandra Valley and the fascinating historial San Giusto Castle.

Characteristic family houses with beautiful gardens make the area where the flats are situated rustic and original and the new cycle/foot path is ideal for those who love the healthy outdoor life. You can do jogging and it is possible to reach the splendid Carso area by bike or walking without having to move the car and following the Rosandra Valley you arrive in Slovenia with its lush landscape.
